

College & Course Planning Night

Monday January 29th

5:00-8:00

Step 1: Go to www.rfhscppnight.weebly.com

Step 2: Click on “Schedule” and review when each event is during College & Course Planning Night

Step 3: Click on “Colleges/Universities Attending”

Take a few minutes to look over what colleges/universities/military branches will be attending the fair.

List the top 5 colleges/universities/military branches you want to talk to:

1. _____
2. _____
3. _____
4. _____
5. _____

Step 4: Click on “College Fair Tips” and then open the document titled “Questions to Ask at a College Fair”

In order to get the most out of your time at a college fair, it is best to come prepared and have specific questions. Asking something like “Tell me about Mankato” is extremely vague and can be frustrating to an admissions officers. So, the more prepared you are with specific questions, the better answers and feedback you will get!

Look over the questions and write down the five questions you would want to know most from admissions officers:

1. _____
2. _____
3. _____
4. _____
5. _____

Step 5: Click on “Colleges/Universities Attending”

Each colleges/university/military branch is hyperlinked to their website. While talking to admissions officers at a college fair is extremely useful, there is also a large amount of information on the school’s webpage and on Career Cruising.

Pick two colleges/universities/military branches and find the answers to these questions:

TIP #1: Look for tabs like “Admissions”, “Academics”, “Undergraduate”, “Finances” or “Tuition”, and “Majors & Minors”

TIP #2: School webpage search bars can be helpful!
